- ✓ We meet in groups of eight, and get together at least four times during the year in homes, parks, or wherever...

We need a **LIAISON** for each group to make the initial contact with the group members and organize the first get-together by telephone. From that point, things usually run themselves, with a little direction. The GWCTD Chairs will stay in touch with the Liaison throughout the year, keep them informed of up-coming events, and assist when needed.

___ YES, of course, I would be happy to serve as a Liaison!!!
