

# POPE BENEDICT XVI

“ It is in the family that children, from the earliest age, can learn to perceive the meaning of God, also thanks to the teaching and example of their parents: to live in an environment marked by the presence of God.

## Celebrate

Our parish community supports families' desire to provide a solid spiritual foundation for children and adolescents.

## Serve

LFaith formation is for everyone, we invite the whole family to get involved and become an integral part of the process, perhaps as catechists.

## Evangelize

Parents and children share a monthly Family Faith and Fun night with the opportunity to invite neighbors, cousins and friends to join.
