Starting Late:

A wedding liturgy with Mass lasts approximately one hour. I understand that the church is reserved for only one hour from the *scheduled* start of the wedding and that any request to delay the wedding due to the late arrival of the wedding party will result in cutting out parts of the wedding ceremony (a reading, petitions, the Mass etc...) so that the wedding ends at the scheduled time. _____ (initial)

For weddings between April 2021 and December 2022:

I am aware that construction is scheduled to take place on the bluff (outside grass area) from April of 2021 to December of 2022 (construction dates are subject to change). Wedding pictures can be taken in the arbor area and the Labyrinth. The entrance of the church will also undergo some construction but the main body of the church will not be affected. _____ (initial)
