Hi, my name is Stephanie Baren and Night to Shine ("NTS") is a worldwide prom night experience sponsored by the Tim Tebow Foundation for special needs guests ages 14 and older. Night to Shine 2026 will be held on Friday, February 13th at the Parish Center. This ministry has lots of volunteer opportunities for teens:

Teen Planning Committee Member: We have a few spots open for teens looking to join our planning committee. We will begin meeting once a month in July. Our summer meetings will be held at my home in San Clemente. Once school begins, meetings will most likely be one Sunday a month at 2pm at the Parish Center. This year, our group of teens will be focused on brainstorming, planning and implementing fundraising events as well as marketing. Those who are interested please email me at stedsnts@gmail.com.

Day of Event Opportunities:

There will be lots of teen volunteer positions for the Night to Shine event, specifically: (1) set up crew, (2) food server, (3) interactive stations (e.g., flower station, Photo Booth, limo rides, make-up/accessories, shoeshine) and (4) Guest Buddy. The Guest Buddy role is reserved for those teens with experience with special needs or who feel comfortable partaking in the entire evening one-on-one with a special guest of the same gender.

A signup link will be sent out in early December with limited spots for each volunteer role. Volunteers are also required to attend a two hour training session the week prior to NTS. Service hours are awarded for the training session as well.

We sincerely hope you will join us in creating this magical night for those with special needs in our community!
